If the offeror/bidder/contractor is owned by a parent organization(s), the FOCI certificate pertaining to foreign interests (SF-328) must be attached for all tier parents, i.e., ultimate parent and any intervening levels of ownership. Each certification must be signed and dated by an authorized official of the respective organization, i.e., an official identified in your organization's articles of incorporation or by-laws as responsible for managing the business affairs of the organization, or any other employee, identified by name, of the organization if designated in writing by such an authorized official as having been delegated authority to execute the FOCI certificate pertaining to foreign interests (SF-328) on behalf of the organization.

If your organization owns other entities, consolidated information for all your wholly-and/or majority-owned subsidiaries (foreign and domestic) must be provided.

If the offeror/bidder/contractor is a publicly traded company or a subsidiary of another corporation, the contractor and all tier parents must submit the following information in addition to the executed FOCI representations:

1. The ultimate parent must submit its most recent annual report, most recent proxy statement for its annual meeting of stockholders, and its Securities and Exchange Commission 10-k report.
2. Subsidiaries must submit separate consolidated financial information for their organization and all wholly and/or majority-owned subsidiaries and affiliates.
3. The contractor and all tier parents must submit a list identifying respective organization's officers, directors, and executive personnel, to include names; social security numbers; citizenship; titles of all positions they hold within the organization; and what clearances, if any, they possess or are in the process of obtaining and identification of the government agency(ies) that granted or will be granting those clearances.
4. If any position is vacant, so state.

If the offeror/bidder/contractor is a privately owned company, the following information must be provided in addition to the executed FOCI representations:

1. Consolidated financial information for its organization and all wholly-and/or majority-owned subsidiaries and affiliates.
2. This information must be provided by the appropriate official within the organization, e.g., chief financial officer, treasurer.
3. A list identifying the organization's owners, officers, directors, and executive personnel, to include names; social security numbers; citizenship; titles of all positions they hold within the organization; and what clearances, if any, they possess or are in the process of obtaining and identification of the government agency(ies) that granted or will be granting those clearances. (All blanks and columns must be addressed. If not applicable (n/a), state n/a or none.) If any position is vacant, so state.

(Version 12.3g, FAC 97-01, DEAR 9/4/97) (OCT 97)

Question #1:

- a. Do any foreign person(s), directly or indirectly, own or have beneficial ownership of 5% or more of the outstanding shares of any class of your organization's equity securities? If yes:
- Identify the percentage of any class of stock or other securities issued, which are owned by foreign persons, broken down by country. Include indirect ownership through one or more intermediate level(s) of subsidiaries. Indicate voting rights of each class of stock.
 - Are there shareholder agreements? If yes, attach a copy(ies), and if none, so state.
 - Indicate whether a copy of SEC Schedule 13D/13G report has been received from any investor. If yes, attach a copy(ies).

NOTE: Ownership of less than 5% should be included if the holder is entitled to control the appointment and tenure of any management position.

- b. (for entities which do not issue stock): Has any foreign person directly or indirectly subscribed 5% or more of your organization's total/capital commitment? If yes:
- Identify the percentage of total capital commitment which is subscribed by foreign persons.
 - Is there an agreement (s) with the subscriber (s)? If yes, attach a copy(ies), and if none, so state.

Question #2

Does your organization directly, or indirectly through your subsidiaries and/or affiliates, own 10% or more of any foreign interest? If yes:

- Identify the foreign interest by name, country, percentage owned, and personnel who occupy management positions with the organizations.
- If there are personnel from your organization who occupy management positions with the foreign firm(s), identify the name(s), title, and extent of involvement in the operations of the organizations (to include access to classified information).

Question #3:

Do any non-U.S. citizens serve as members of your organization's board of directors (or similar governing body), officers, executive personnel, general partners, regents, trustees or senior management officials? If yes:

- Identify the foreign person(s) by name, title, citizenship, immigration status and clearance or exclusion status.
- Attach copies of applicable by-laws or articles of incorporation which describe the affected position(s). However, if you have already provided such copies to the Cognizant Security Agency Industrial Security Representative, so state.

Question #4

Does any foreign person(s) have the power, direct or indirect, to control the election, appointment, or tenure of members of your organization's board of directors (or similar governing body) or other management positions of your organization, or have the power to control or cause the direction of other decisions or activities of your organization? If yes:

Identify the foreign person(s) by name, title, citizenship, and all details concerning the control or influence.

Note: If any foreign person(s) have such power, this question shall be answered in the affirmative even if such power has not been exercised, and whether or not it is exercisable through ownership of your facility's securities, if such power may be invoked by contractual arrangements or by other means.

Question #5

Does your organization have any contracts, agreements, understandings, or arrangements with a foreign person(s)? If yes:

For each instance, provide the name of the foreign person, country, percentage of gross income derived, and nature of involvement, including:

- whether defense/nuclear related or not
- involvement with classified or export controlled technology
- compliance with export control requirements

Where the organization has a large number of involvements and where these involvements are not defense nuclear related and represent a small percentage of gross income, the explanation can be a generalized statement addressing the totals by country.

Note: We do not expect and will not require the contractor to ask every customer if he/she falls within the NISPOM definition of a foreign person. We will ask the Contractor to provide ongoing security education to those individuals who negotiate and/or administer such agreements regarding their responsibilities to report agreements with a foreign person(s) to the best of their knowledge. The Contractor will be certifying the response to this question to "the best of his/her knowledge" or "through his/her best efforts".

Question #6:

Does your organization, whether as borrower, surety, guarantor, or otherwise have any indebtedness, liabilities or obligations to a foreign person(s)? If yes:

- Provide your overall debt-to-equity ratio (in percentage).
- With respect to indebtedness or liability to a foreign person, indicate to whom indebted or liable, what collateral has been furnished or pledged, and any conditions or covenants of the loan agreement. If stock or assets have been furnished or pledged as collateral, provide a copy of the loan agreement or pertinent extracts thereof (to include procedures to be followed in the event of default).
- If any debentures are convertible, provide specifics.
- If loan payments are in default, provide details.

This question should be answered in the affirmative if the debt is with a U.S. entity that is owned or controlled either directly or indirectly by a foreign person. If unknown, so state.

Note: As stated above, we do not expect and will not require the Contractor to ask every lender if he/she qualifies as a foreign person. We will ask the contractor to provide ongoing security education to those employees who handle lending arrangements regarding their responsibilities to report any such arrangements with a foreign person lender, to the best of their knowledge. The Contractor will be certifying the response to this question as being to "the best of his/her knowledge" or "through his/her best efforts".

Question #7:

During your last fiscal year, did your organization derive:

- a. 5% or more of its total revenues or net income from any single foreign person?
- b. In the aggregate 30% or more of its revenues or net income from foreign persons?

If yes to either part of the question:

- Provide overall percentage of income derived from foreign sources by country, nature of involvement, and type of services or products.
- Indicate if any single foreign source represents in excess of 5% of total revenues or net income.
- Indicate whether any classified information is involved.
- State whether facility is in compliance with applicable export control requirements.

Note: As previously stated, we do not expect and will not require the Contractor to ask every customer if he/she qualifies as a foreign person. We will ask the Contractor to provide ongoing security education to those employees who handle information about company revenues regarding their responsibility to report revenues derived from a foreign person(s) to the best of their knowledge. The Contractor will be certifying the response to this question as being to "the best of his/her knowledge" or "through his/her best effort".

Question #8:

Is 10% or more of your organization's securities held in "nominee shares," in "street names" or in some other method which does not disclose the beneficial owner? If yes:

- Identify each foreign institutional investor holding 10% or more of the voting stock by name and address and the percentage of stock held.
- Indicate whether any investor has attempted to, or has exerted any control or influence over appointments to management positions or influenced the policies of the organization.
- Include copies of SEC Schedule 13D/13G.

Question #9:

Do any of the members of your organization's board of directors (or similar governing body), officers, executive personnel, general partners, regent's, trustees or senior management officials hold any positions with, or serve as consultants for, any foreign person(s)? If yes:

- Provide the name, title, citizenship, immigration status and clearance or exclusion status on all such persons.
- Identify, by name and address, each foreign organization with which such persons serve and indicate the capacity in which they are serving.
- Include a Statement of Full Disclosure of Foreign Affiliations for every cleared individual who is a representative of a foreign interest

Note. We expect the Contractor to be able to answer this question fully for those individuals holding such positions with his/her foreign subsidiaries and any foreign interests. However, we do not expect and will not require the Contractor to ask every individual to ascertain if he/she is serving as a director, officer or manager of a foreign person. We will ask the contractor to provide ongoing security education to all key management personnel of their responsibilities to report serving as an interlocking director or in any other type of positions with a foreign person to the best of their knowledge. The Contractor will be certifying the response to this question as being to "the best of his/her knowledge" or "through his/her best efforts".

Question #10:

Is there any other factor (s) that indicates or demonstrates a capability on the part of foreign persons to control or influence the operations or management of your organization? If yes:

- Describe the foreign involvement in detail, including why the involvement would not be reportable in the preceding questions.

DEFINITIONS FOR COMPLETION OF THE CERTIFICATE PERTAINING TO FOREIGN INTERESTS

Affiliate - Any entity effectively owned or controlled by another entity.

Beneficial Owner - The true owner of a security who may, for convenience, be recorded under the name of a nominee. Such ownership entitles the owner to the power to vote or direct the voting of a security or to impose or direct the disposition of a security.

Bond - A certificate which is evidence of a debt in which the issuer promises to repay a specific amount of money to the bondholder, plus a certain amount of interest, within a fixed period of time.

Convertible Debentures - Bonds which the holder can exchange for shares of voting stock.

Debt-to-Equity Ratio - Total liabilities divided by total shareholders' equity (total assets minus total liabilities of a corporation; also called stockholders' equity, equity, and net worth). This shows to what extent owners' equity can cushion creditors' claims in the event of liquidation.

Equity Security - An ownership interest in a company, most often taking the form of corporate stock.

Foreign Interest - Any foreign government, agency of a foreign government, or representative of a foreign government; any form of business enterprise or legal entity organized, chartered or incorporated under the laws of any country other than the U.S. or its possessions and trust territories, and any person who is not a citizen or national of the United States.

Foreign Person - Any foreign interest and any U.S. person effectively owned or controlled by a foreign interest.

Guarantor - One who makes the guaranty (an agreement or promise to answer for the debt, default or miscarriage of another).

Immigration Status - Legal basis for a non-U.S. citizen's residence in the United States (e.g., work visa, admission for permanent residence). Note: Immigration and Naturalization Service Form I-9 is an excellent source for this information.

Any person or group of persons who acquire a beneficial ownership of more than 5 percent of a class of registered equity securities of certain issuers must file a Schedule 13D reporting such acquisition with certain other information.

S.E.C. Schedule 13G - This schedule is a much abbreviated version of Schedule 13D that is only available for use by a limited category of "persons" (such as banks, broker/dealers, and insurance companies) and even then only when the securities were acquired in the ordinary course of business- and not with the purpose or effect of changing or influencing the control of the issuer.

Sales Agreement - An agreement between two parties for the sale of goods or services on a continuing basis.
